

GENSER 10 YEAR ANNIVERSARY CELEBRATION

Genser celebrated its 10-year anniversary on Monday 7th August 2017. This day marked exactly 10 years since the first PPA was signed with Golden Star Resources for the construction of the 36MW GP Bogoso Plant.

Since then, Genser has signed PPAs with Unilever Ghana, Kinross' Chirano Gold Mine, Gold Fields' Tarkwa & Damang gold mines and constructed four (4) power plants totaling 132MW in installed capacity.

Genser has also built a fuel offloading facility, GP Takoradi Terminal, at the Ghana Ports and Harbour Authority (GPHA) Port of Takoradi.

Genser has come a long way in the last 10 years, and celebrated the achievements of the company and commemorated the efforts of everyone that has been a part of this journey and has shown commitment, dedication and hard work towards the vision and mission of GEGL Holdings Inc.

Genser looks forward to continuing to become the leading energy solution provider in Africa and **'Powering the Future'!**
